CLOSET
CATALOG 2025

WE ARE ON A MISSION TO BRING QUALITY CLOSET
TO EVERY HOUSEHOLD IN AMERICA

ABOUT US

We are a proudly American custom closet online retail company passionate about bringing quality, organization, and comfort to your living space. With over 25 years of combined background experience in the industry, we are a group of professionals creatively offering the entire American market revolutionary custom closet design and space management solution at unbeatable prices. We take pride in our vast array of closet design options, virtual design support, high-grade materials, and an unbeatable 10 days delivery time.

At NovaCloset, our closets are fabricated following careful consideration of your preferences, needs, and surrounding. It is never a one-fit-all. As an online store, we are not limited to a place or city.

We are able and ready to provide premium service anywhere in America. In our decades of offering organization and comfort to homes in America, we have built a sturdy reputation of speed, quality, and excellence.

We are ready for a new phase in providing storage solutions by using state-of-the-art technology to create 3D renditions of your closet choice. We take custom closet design a step further and allow you to create what you want with our online design support system.

All our closets are manufactured in America as a way of creating more jobs, keeping to the high American standard of quality, shorten lead time, and reduce delivery cost.

CUSTOM CLOSET

Save yourself the hassle of unpacking or searching every time you need an item with our custom closets. With everything you need in its proper place, it is always 'grab and go.' Our closets are made from products designed to stand everyday use and save time. Our experience in crafting closets for thousands of households improves our understanding of human needs and usage making our closets the best for you.

WALK-IN CLOSET

We offer a new dressing experience with our walk-in closets. Completely bespoke to suit your lifestyle and personal choices. Whatever your fashion obsession may be, - hats, sneakers, glasses - we care for them all. We do not use standard-sized carcasses, which gives us the freedom to maximize your storage and give you your preference.

MUDROOM CLOSET

Our efficient mudroom storage solution is designed to suit your needs, whatever they may be. From pet feed to bookbags, from seldomly used food boxes to heavy shoe piles, we have a unique storage solution.

We work with materials that are sturdy and able to take the strain of storing bulky items and withstand bad weather or rough use.

REACH-IN CLOSET

From hanging rods to drawers and shelves, our Reach-In Closets brings organization and order to your clothes, shoes, and accessories, making them easily accessible.

Built from materials that are made to last and endure daily usage, our closets stand the test of time. They come in sizes fit for your space.

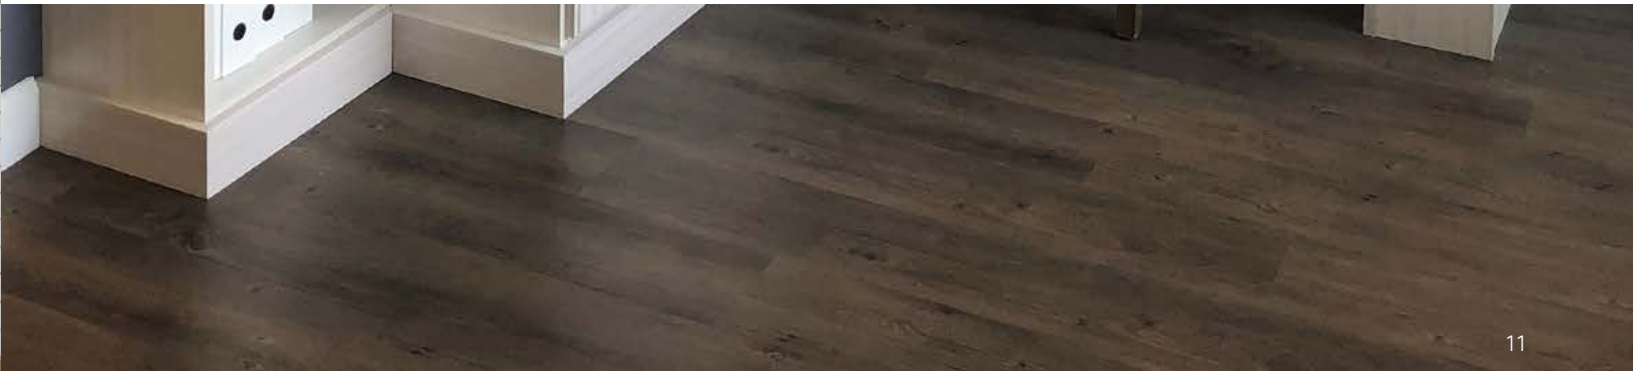

LAUNDRY ROOM CLOSET

Do you cringe at the thought of doing the laundry? Are you tired of the big mess your laundry room looks like because of the tall heaps? Change the look of your laundry room now with Nova Laundry Closet. Our exclusive storage design helps your sort clothes in an orderly manner while you organize supplies efficiently to reach fashion. Our wide range of items includes shelves, cabinet, laundry baskets, and ironing board to make doing the laundry more comfortable and less terrifying.

HOME OFFICE

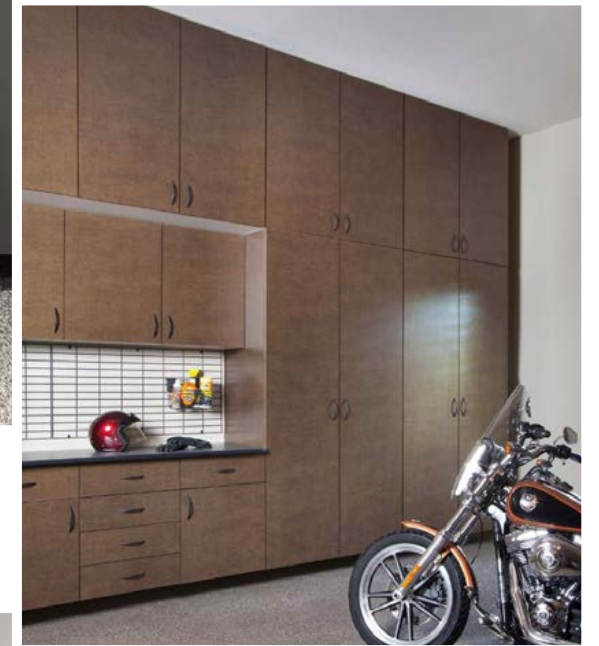

Our storage unit includes comfortable work chairs, tables, reading light, shelves, draws, and cabinets to maintain orderliness and keep essential things where they are easy to reach and safe. Say goodbye to the chaos you see on your tabletop with papers littered around and say welcome to your bespoke home office cared for to the tiniest detail.

ENTERTAINMENT CENTER

It is never pretty having all the wires from the TV, Consoles, DVD, and speakers together in clutters. Most times, having more than one appliance in the same place can make orderliness seem impossible. Our storage solution for entertainment centers takes away any worry about a potential mess. Whatever your preferences are, simple television, or heavy gaming, our experts have a solution.

GARAGE CLOSET

Our garage closet offers you your best shot at organizing your garden and yard tools. If you are a handy person, we have special offers for you, including hanging rods and cabinets, to keep whatever tools you work with. With special bike hangers, you never have to worry about space for things you seldom use.

PANTRY CLOSET

A well-organized pantry adds tremendous value to your daily life. Convenience, visibility, and easy access will save you time and reduce waste. Adjustable shelves and pullout drawers create easy access to canned goods and spices. Having all of your kitchen essentials in one location makes tending to your nutritional needs simple.

WET BAR

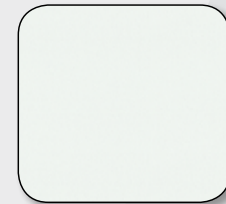

Quality wine shouldn't be haphazardly arranged. Show off your taste with the best wine racks and arrangement money can get. We offer ample storage for your vast collection, as well as enchanting finishes and accessories such as steam ware holders and lighting.

KIDS AND TEENS CLOSET

Are you tired of the mess in your kid's room? Are you interested in teaching your kids order and organization, then Nova Kids and Teens Closet is what you need. It comes with adjustable shelves, hanging rods, and laundry baskets that evolve as your child grows.
